

## FONS Newsletter Summer Term 2015

Welcome to the Summer Term edition of the FONS Newsletter. Within this edition, we've also got details of our Mayday event to be held on Friday 15<sup>th</sup> May. This is one of the highlights of the School calendar we hope to see as many of you there as possible.

We've also got details of our latest project – reinstating the nature area and pond at the front of the school. This is going really well and the children have been very excited about the progress that is being made.

Previously, life used to **"bug"** me,  
and we were all very **"unhappy"** with  
nowhere to live.

Now we all have a  
special place at  
Newborough School,  
life is positively  
**"ribbeting"**

## Fashion Show 2015

*As a result, we will be holding another one on 18<sup>th</sup> June at the school.*

*Tickets will go on sale on at our May Day event and will be available from the FONS team.*

*Places are limited, so please buy tickets for you and your friends early to avoid disappointment*

## Internal Affairs

With Wendy Sayer, Marianne Lawton and Karen Shirley stepping down from their respective roles as FONS Chair, Vice Chair and Secretary, we are pleased to announce the following roles.

**Kirsty East** will be returning as Chair

**Hayley Brenton** will be Vice Chair

**Janet Harris** (with support from her family) will be Secretary

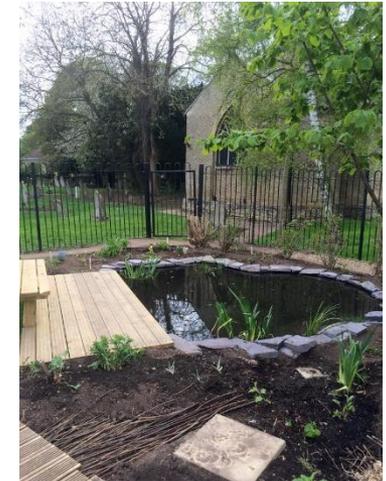

Without people volunteering for these roles, FONS cannot exist and so we are grateful to each for dedicating their time to the school

Also – FONS now has our own email address. If you would like to contact us regarding any of our events or want to get involved in any way, please drop us an email!

## Our latest achievement

In recent weeks, progress has begun on the restoration of the nature area at the front of the school. This is being fully funded by FONS from the events we have run over the last year.

Anyone who has visited school during the day will have seen several of the children getting excited as the area develops, particularly now there is water in the pond and the Bug Hotel and Bug Tunnel are in place

The reason FONS exists is to make the experience at school more memorable and exciting for our children. This area will give the children access to natural resources that support their learning and understanding of the world we live in, particularly in the Summer months.
