

FONS Newsletter Summer Term 2016

We are getting to the end of Summer Term and its been an eventful time at FONS with some excellent fundraising successes. Summer Term sees some of our most entertaining events and an opportunity to use the playground and field. In this letter, we bring you an update on events this term, including an update on the May Day event held last half term. This newsletter also brings you details of the new FONS team that was agreed in the AGM in February.

Events for the rest of this term

Key dates for the rest of Summer Term are:

School Disco : July 15th 2016

World Cup / Rio themed "own clothes day" - Friday 8th July

Our AGM

Our Annual General Meeting was held on the 16th February. At this meeting, we agree the main FONS roles for the next 12 months. At the meeting it was agreed that:

Chair : Caroline Lancaster agreed to take on the role of Chair.

Vice Chair : Kirsty East, our outgoing chair, will act as Vice Chair to support Caroline

Secretary : Nic Stazicker will perform the role of secretary for the year.

The support of the people taking on these new roles is greatly appreciated and without their help, FONS wouldn't be able to exist. The support of our outgoing team, including Sara Button and Janet Harris who were secretary for the last 12 months is also greatly appreciated.

Please note we still have a vacancy for Treasurer. Any interested volunteers – please advise one of the FONS team

May Day

Our main event in the Summer Term was the May Fayre. We had loads of volunteers helping to run the stalls, including a Tombola, Splat the Rat and Face Painting. The Tea Towels featuring all the children from the school also went down a storm.

We hope you all had a great time. But as well as a lot of fun, you also helped raise **£1,200** for the children of the school
