

## FONS Newsletter Spring Term 2017

Welcome to the FONS Newsletter for the Spring Term for 2017

As ever, our Autumn Term was very busy, particularly with the events before Christmas. This also meant we raised a lot of money, almost £2000 during the first term of the academic year. This means we have some exciting news regarding our fundraising targets for this year – read the rest of this newsletter to find out.

Our next big event may not seem to be the most exciting, but it is an important one for FONS. We will be holding our Annual General Meeting on Monday 27th February 6pm at school. We would love to see new members join us, particularly those whose children have recently joined the school.

A welcome break on this year's Santa's Sleigh Ride.

## Our AGM

At the AGM, we will also be nominating people for our key roles of Chair, Treasurer and Secretary. Without people filling these roles, FONS cannot exist, which in turn would mean the school missed out on the thousands of pounds we raise each year.

To keep our number of volunteers at a sustainable level, new members are welcome to join this session to find out a bit more about what we do and how you can help. Even if you can't offer a lot of time, it all makes a difference and fresh thinking and suggestions are very welcome.

Supporting FONS is a great way to make a direct impact on the children's experience at school and can be very rewarding. Please join us at the AGM. This will be held on Monday 27th February 6pm at school (1st day back to school after half term). If you can't join the meeting but would like to help, please let one of the FONS team know.

## Funds raised last term

Remember last time we said our target for this year was to raise enough money to buy a new climbing wall for the playground? Well.....

**MISSION ACCOMPLISHED**

This target has already been achieved. This means that FONS have raised enough money for the new floodlights and the new climbing wall. We hope to have this installed for when the weather improves.

We appreciate all the support that parents and others in the village make to our events. However, special thanks should go to:

- Daniel Elmore and his employer Lloyds TSB for their charitable giving of £500
- Diversified Communications who donated £165
- And parents who purchased school photos, the commission from which the school has donated to use for the Climbing Walls.
