How individual academies specifically work to eliminate discrimination is set out in [Appendix 2](#).

5. Advancing Equality of Opportunity

As set out in the DfE guidance on the Equality Act, the Trust aims to advance equality of opportunity by:

- Removing or minimising disadvantages suffered by people which are connected by a particular characteristic they have (e.g. pupils / staff with disabilities, or gay pupils who are being subjected to homophobic bullying)

The Trust aims to foster good relations between those who share a protected characteristic and those who do not share it by:

- Promoting tolerance and friendship and understanding of a range of religions and cultures through different aspects of the curriculum. Equality Information - Academy Specific

Name of academy: Newborough CofE Primary

Eliminating Discrimination in Our Academy

We work to eliminate discrimination in the following ways:

- Staff and governors are regularly reminded of their responsibilities under the Equality Act for example during staff meetings. The Principal completes equality and diversity training as do the governors annually. Our policies, where appropriate, refer to equality and diversity.
- New staff receive training on the Equality Act as part of their induction, and all staff receive refresher training every September. The training content covers the following: protected characteristics, how we are working to diversify and improve inclusion within our school, bias, direct and indirect discrimination.
- The academy has a designated member of staff for monitoring equality issues. The designated member of staff who is responsible for monitoring equality issues is the Principal. They regularly liaise with the governors regarding any issues and make them and senior leaders aware of these as appropriate.

Advancing Equality of Opportunity

As set out in the DfE guidance on the Equality Act, we aim to advance equality of opportunity by:

- Removing or minimising disadvantages suffered by people which are connected by a particular characteristic they have (e.g. pupils with disabilities, or gay pupils who are being subjected to homophobic bullying)
- Taking steps to meet the particular needs of people who have a particular characteristic
- Encouraging people who have a particular characteristic to participate fully in any activities (e.g. encouraging all pupils to be involved in the full range of academy clubs).

Fostering Good Relations

We aim to foster good relations between those who share a protected characteristic and those who do not share it by:

- Promoting tolerance, friendship and understanding of a range of religions and cultures through different aspects of the curriculum. This includes teaching in RE, citizenship and personal, social, health and economic (PSHE) education, but also activities in other curriculum areas. For example, as part of teaching and learning in English / reading, pupils will be introduced to literature from a range of cultures
- Holding collective worship dealing with relevant issues. Pupils will be encouraged to take a lead in such collective worship and external speakers will also be invited to contribute
- Working with our local community.

an example of how we work with our local community is inviting leaders of local faith groups to speak at collective worship, and organising academy trips and activities based around the local community and visiting other places of worship as part of Religious Education;

- encouraging and implementing initiatives to deal with tensions between different groups of pupils within the academy. For example, our Young Leaders Forum has representatives from different year groups and is formed of pupils from a range of backgrounds. All pupils are encouraged to participate in the academy's activities, such as sports clubs. We also work with parents / carers to promote knowledge and understanding of different cultures.
- Developing links with people and groups who have specialist knowledge about characteristics, which helps inform and develop our approach. This includes working closely with the Peterborough City Council Traveller Liaison Officer to support our whole school community and build community cohesion.

Equality Considerations in Decision-Making

We will always consider the impact of significant decisions on particular groups.

For example, when an academy trip or activity is being planned, the academy considers whether the trip:

- Cuts across any religious holidays
- Is accessible to pupils with disabilities
- Has equivalent facilities for all pupils regardless of gender.

Newborough CofE Primary Equality Objectives

Objective 1: Undertake an analysis of recruitment data and trends with regard to race, gender and disability by July 2025, and report to the AGC.

Objective 2: Have in place a reasonable adjustment agreement for all staff with disabilities by September 2025, to meet their needs better and ensure that any disadvantages they experience are addressed.

Objective 3: Train all members of staff and governors involved in recruitment and selection on equal opportunities and non-discrimination by the beginning of the next academic year (2025/26). Training evaluation data will show that 100% of those attending have a good understanding of the legal requirements.

Objective 4: Monitor pupil uptake of clubs, enrichment and extra-curricular opportunities based on race- religion, gender, disadvantaged backgrounds.

Objective 1: Objective 1: Undertake an analysis of recruitment data and trends with regard to race, gender, religion and disability by July 2025, and report to the AGC.

Why have we chosen this objective:

- Newborough CofE Primary is in a rural location on the edge of Peterborough.
- 81% of pupils are from a white British (149 pupils) background
- 19% of pupils have an identified SEND need and are on the SEND register
- 65% of pupils are identified as being from a Christian faith
- Peterborough as a city is an ethnic and culturally diverse city
- It is important that staff represent pupil groups within the school

To achieve this we plan to:

- Collate anonymised information on Arbor regarding staff equality
- Review personnel folders to gather any gaps in information
- Survey staff regarding their equality information to ensure that school information is up to date and accurate.
- Use this data to assess whether further recruitment considerations are required to attract candidates from equality groups that are not widely represented within school.

Progress we are making towards achieving this objective:

Objective 2: Objective 2: Have in place a reasonable adjustment agreement for all staff with disabilities by September 2025, to meet their needs better and ensure that any disadvantages they experience are addressed.

Why have we chosen this objective:

- To identify the staff offer of reasonable adjustments so that staff are aware of what can be done to support them if required.

To achieve this we plan to:

- Draft a reasonable adjustment plan for staff (Apr 2025)
- Consult with staff on the reasonable adjustment plan (May 2025)
- Share the draft reasonable adjustment plan with AGC (July 2025)
- Share final version with staff (September 2025)

Progress we are making towards achieving this objective:

Objective 3: Train all members of staff and governors involved in recruitment and selection on equal opportunities and non-discrimination by the beginning of the next academic year (2025/26). Training evaluation data will show that 100% of those attending have a good understanding of the legal requirements.

Why have we chosen this objective:

- To increase understanding of those involved in selection and recruitment of their obligations in relation to the Equalities Act, discrimination and bias.

To achieve this we plan to:

- Ask central team to set training Smart Log training for Governors and Senior Leaders on equal opportunities (July 2025)

Progress we are making towards achieving this objective:

Objective 4: Monitor pupil uptake of clubs, enrichment and extra-curricular opportunities based on race- religion, gender, disadvantaged backgrounds.

Why have we chosen this objective:

- To ensure that clubs and enrichment opportunities are represented by a range of pupils within school

To achieve this we plan to:

- Analyse pupil club and enrichment take up
- Identify any groups of children who might have barriers to accessing these opportunities
- Create a plan to remove the barriers
- Subsidised clubs

Progress we are making towards achieving this objective:
