

Newborough CE Primary School Our Behaviour Blueprint: The Newborough Way

Our Behaviour Blueprint is underpinned by the principle:
Visible Consistency; Visible Kindness

We create:

A Culture of Certainty

Our 3 expectations are: *Be safe, Be Respectful, Be Ready to Learn*

Our 3 visible consistencies are: *Marvellous Meet & Greet, Marvellous Movement, Marvellous Manners*

- We show 'Deliberate botheredness' CONSISTENTLY: daily acts of care and positive recognition for all children
- We use our rainbow ladder CONSISTENTLY for recognition of positive choices made and celebrate achievements together.
- We are proud when people "Clip Off" and verbally express this when we see children with their pegs on
- We recognise where children are consistently making positive choices and acknowledge achievements by celebrating them as a whole school during collective worship.
- We use the language of choice and expectations CONSISTENTLY.
- We give first attention to those children who are making positive choices.
- We use the following Positive Consequences CONSISTENTLY:
 - *Verbal praise and thanks for expectations met*
 - *'Class Dojo' points awarded daily*
 - *Stickers for extra effort given*
 - *Movement up the rainbow ladder to "Clip Off"*
- We use the following negative consequences (minor) with immediacy and CONSISTENCY:
 - *a non-verbal reminder e.g. look, discrete hand signals – ie. Stop signal*
 - *a quiet word as a warning*
 - *a 30 second intervention (following an agreed micro-script)*
 - *time for reflection*
- We have restorative conversations to enable children to reflect on their choices and consider how they can take action to make better choices moving forward
